EXPERIENCE

POSSIBLE

Designer · 2015 - 2016

Designed campaign advertising, within agency creative team, for a variety of clients including Microsoft, BECU, Komen, Brita, and Burt's Bees, among others. Created visuals for Microsoft's Windows 10 Upgrade Your World non-profit campaign made up of monthly releases of responsive website designs as well as infographics and collateral for corresponding social campaign. Collaborated closely with multi-disciplinary teams to design decks for client pitches and executive level presentations.

FREELANCE

Designer · 2013 - present

Provided clients with complete design services, from concept to final designs for branding, web and print design.

FADIMANTIUM

Web Design Intern · 2014

Interned for web design company based in Seattle. Designed and created unique WordPress websites for multiple clients. Coded responsive sites in collaboration with Fadimantium's owner. Edited content, created graphics, developed structure in HTML, and coded custom styles in CSS.

T-MOBILE

Cash Applications Specialist III · 2009 - 2012

Managed team of 8-12 people giving guidance as needed, ensuring work was done efficiently and correctly while also working multiple processes. Edited, photographed for, designed, art directed and produced quarterly departmental newsletter.
